

Tree & Shrub Nursery

New Season

Wholesale Catalogue 2023/24

CASTLE HOWARD

Welcome

Welcome to the Castle Howard Tree & Shrub Nursery catalogue for the 2023/24 season.

The nursery has been growing high quality trees and shrubs for over 50 years. Where possible, we gather seed on the Estate itself and once again, we are pleased to offer locally sourced hardwoods ideal for new plantations.

Demand for all species is high this year and, in some cases, stocks are limited so we would recommend ordering early to avoid disappointment.

Full details of age, provenance and country of growth for the trees listed in this catalogue are available on request.

The nursery is open from 7.30am to 4.00pm Monday to Friday for pre-booked orders from 1st November 2023.

Please telephone or email us for a quotation, more information or advice.

For orders & enquiries call: 01653 648646

**Email: Chris Wanless, Forestry Administrator
cwanless@castlehoward.co.uk**

PLEASE NOTE

When handling any plants with thorns or spikes, protective gloves should be worn.

Plants marked with an asterisk* may be harmful or poisonous.

We hope that 2023/24 brings you all a successful planting season!

Transplants & Undercut Seedlings
